STATEMENT OF OBJECTS AND REASONS

The Central Government is committed to repeal the obsolete and redundant laws (Central Acts) lying on the Statute Book Keeping in view the necessity of repeal of laws which are redundant or lost their singnificance the Law Commission of India in its 248th, 249th, 250th and 251st Reports on "obsolete Laws: Warranting Immediate Repeal", inter-alia recommended for repeal of 289 enactments. Out of 289 enactments 62 enactments have been identified for repeal by the respective State Legislature.

2. The Ramanujam Committee Constituted by the Prime Minister's Office has recommended for the repeal of 1741 enactments. Out of 1741 enactments 83 enactments have been identified for repeal by the respective State Legislature. The total number of Acts to be epealed by the States comes to 62+83=145. Out of total 145 Acts the Government of Madhya Pradesh has identified 12 Acts for repeal by the Madhya Pradesh Legislative Assembly for which consent of the concerning administrative department has been obtained.

3. In this regard reference is drawn to the ruling given by the Hon'ble Supreme Court in Kerala State electricity Board versus Indian Aluminum Co. Ltd. [AIR 1976 SC 1031] wherein it was held that "an existing law continues to be valid even though the legislative power with respect to the subject-metter of the existing law might be in a different list under the Constitution from the list under which it would have fallen under the Government of India Act, 1935. But after the Constitution came into force an existing law could be amended or repealed only by the Legislature which would be competent to enact that law if it were to be newly enacted".

4. As part of the ongoing initiative of the Central Government the present proposal of the State Government is to repeal 12 obsolete and redundant laws by the State Legislative Assembly. An appropriate saving clause has been incorporated in the Bill. On being enacted it would reduce obsolete laws and bring in clarity to these for whose benefit the laws are enacted.

5. Hence this Bill.
